<b>6</b>	<b>Preferences 2: Green investments</b>	<b>29</b>
<b>7</b>	<b>Preferences 3: Tax and dividend</b>	<b>32</b>
<b>8</b>	<b>Preferences on climate policies</b>	<b>35</b>
<b>9</b>	<b>Preferences for bans vs. incentives</b>	<b>38</b>
<b>10</b>	<b>Political views and media consumption</b>	<b>43</b>

## List of Tables

1	Main way of heating . . . . .	3
2	Consumption and GHG . . . . .	4
3	Main mode of transports used . . . . .	5
4	Trust in government and others . . . . .	6
5	Intervention, inequality and future . . . . .	7
6	Environmental views . . . . .	8
7	Climate change existence . . . . .	9
8	Halving GHG . . . . .	10
9	Comparisons of GHG emissions . . . . .	11
10	Responsible party for CC . . . . .	12
11	Possible to halt CC . . . . .	13
12	Talks often about CC . . . . .	14
13	Most affected generations . . . . .	15
14	Scenario with worldwide consensus . . . . .	16
15	Conditions to change lifestyle . . . . .	17
16	Effects of policies to halt CC . . . . .	18
17	Issues to address to halt CC . . . . .	19
18	Best level to implement policies to tackle climate change . . . . .	20
19	Countries that should bear the costs . . . . .	21
20	Right to pollute . . . . .	22
21	Should the U.S. act? . . . . .	23
22	Extent to which the U.S. should act . . . . .	24
23	International measures . . . . .	25
24	Opinion on emission standards . . . . .	26
25	Winners of an emission standards policy . . . . .	27
26	Losers of an emission standards policy . . . . .	28
27	Opinion on green investments . . . . .	29

28	Winners of a green investments policy . . . . .	30
29	Losers of a green investments policy . . . . .	31
30	Opinion on carbon tax with cash transfers . . . . .	32
31	Winners of a carbon tax with cash transfers policy . . . . .	33
32	Losers of a carbon tax with cash transfers policy . . . . .	34
33	Worried about climate change . . . . .	35
34	Support for climate policies . . . . .	36
35	Support carbon tax, depending on the use of revenues . . . . .	37
36	Renovation enforcement . . . . .	38
37	Flight restrictions enforcement . . . . .	39
38	Cattle consumption restrictions enforcement . . . . .	40
39	Environment protection enforcement . . . . .	41
40	Willingness to Pay . . . . .	42
41	Political views . . . . .	43
42	Position on political spectrum . . . . .	44
43	Use of media . . . . .	45
44	Survey biased . . . . .	46

# 1 Energie Characteristics
